

# The Preschool Peckelach

Dear EC Parents, בס"ד  
Pesach is certainly a highlight of the preschool year! After all, the sederim are all about the children! Our kinderlach are so excited to adorn their Yom Tov tables with all of their beautiful Pesach crafts and of course their very own Haggadahs! You can hear the Ma Nishtana being sung, along with other seder tunes and there's so much robust learning going on. Learning in Preschool is the best because we truly use all of our senses!

Speaking of using our senses, this week we had an incredibly special program! Our MPR was transformed into a "Shmura Matza Bakery," and we learned all the details of how shmura matza is made starting with wheat stalks (ask us how we got the kernels of wheat out of the wheat stalks!). We did indeed bake "pretend" shmura matza at school, and we hope everyone enjoyed this special treat!

Rosh Chodesh is always a stupendous day in our preschool! This month, each class got to come up to the "stage" and sing a Pesach song for the rest of the kinderlach. Everyone did a fabulous job and it's just amazing to see how all of the kinderlach have grown and matured since the start of our year. Have a great Shabbos and Chag Kasher V'sameach!! Enjoy all the nachas from your little ones!!!

*Thank you to the Cheder N'shei for sponsoring the MATZA BAKERY program for our Nursery and Kindergarten classes!! We really enjoyed learning about and making our very own matza!!*
