

CHEDER CHESHEK

Your peek at how Chinuch and Cheshek go hand in hand

A Message from the Menahel

The Gemara in סנהדרין relates that a Talmid came to רב אבהו and asked him about the reason for שמיטה. רב אבהו answered, כדי שתדעו שהארץ שלי היא - So that it will be known that all the land is mine.

This is echoed in the פסוק that explains why land returns to its original owner by the יובל year - כי לי הארץ - "Because the land is mine, and you are just temporary residents living with me."

Based on the above, we can ask a question.

Why do these mitzvos only apply in ארץ ישראל?

Doesn't the entire world belong to Hashem?!

Why are these lessons not relevant to us living חוץ לארץ?

We can answer, that these mitzvos are addressing a natural thought process - This land belongs to me and I'm the one causing the wealth it produces.

This thought is only possible in the land we belong in - ארץ ישראל.

To have this thought about property owned amongst the Goyim, where we don't belong, is absurd.

It simply should not even be a thought!
