Your peek at how Chinuch and Cheshek go hand in hand

A Message from the Menahel

קדושים תהיו

In this week's פרשה Hashem both informs and instructs us regarding our inherent קדושה.

We are inherently קדוש and must maintain and connect to our exalted קדוש status.

Interestingly, this fundamental מצוה was expressed in plural form - בלשון רבים.

This indicates that our קדושה is both dependent and achieved by jointly striving for holiness together.

Each of us needs a קדושה filled environment in order to grow.

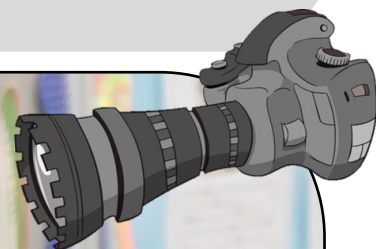

We also rely on the חיזוק and inspiration of other קדושים in order to constantly grow.

Maybe this is even part of the Hashems command of קדושים תהיו.

Not only to be a קדוש, but to be a קדוש together with others.

May we all enjoy and grow this קודש שבת!

Points from the Principal

Stop, Notice and Do something! Our safety unit is on the roll as we work on the middos of taking care of ourselves and taking care of others.

This week we learned about traffic safety. We learned how to keep ourselves safe by crossing the street, wearing a helmet and more! It's not just smart, it's a mitzvah!

As a special treat we had officers come with their horses to teach about crowd control safety, and to show us how they do their job to help keep us safe.

Our taking care of other's project is B"H off to a great start! We are fundraising for a Buddy Bench in Eretz Yisroel and we already have over \$100.00! Thank you 4th grade for beautiful and delicious cupcakes!

Get ready for cookies next week iy"H!

Have a wonderful Shabbos!

- Mrs. Gilden
