

A PEEK INTO OUR WEEK

A MESSAGE FROM MORAH TEITZ

During these meaningful days of ספירת העומר, BYC תלמידות are focusing on our שלום of מידת החדש.

This period is a time for reflection and growth, and we strive to improve our relationships and friendships. שלום between classmates and friends, not only fosters a peaceful atmosphere but also brings tremendous ברכה into our lives.

אין לך כלי מחזיק ברכה אלא השלום

The only place that ברכה can flourish is in an environment of שלום.

As we instill these values in our תלמידות, may we be זוכה to become a vessel of שלום that is overflowing with ברכה!

Happy Birthday!
