

The Preschool Peckelach

Dearest EC Parents,

As the year winds down, we are so grateful to Hashem for allowing us to have a year of such incredible growth! We are also so grateful to our EC parents for entrusting us with your beautiful kinderlach. In the pages ahead you will see a glimpse of the last couple of weeks. They have certainly been exciting, leibedik and fun! The Kindergarteners were given a taste of Pre1A by visiting and participating in activities in the Pre1A classrooms. Thank you to Morah Esther Kibel, Morah Jenn Lowy and Rabbi Wiederman for being so warm and welcoming! The Toddler and Nursery classes had absolutely beautiful end of year parties, each showcasing their special talents! The Kindergarteners will have their "graduation" this coming Tuesday IY"H and can't wait to perform in front of their families! Wishing everybody a good and relaxing Shabbos!
